

# Tenant Guide – Resource Schedule

## Logging into Building Engines

Building Engines uses technology that provides access to your personal Tenant account and all associated information using any computer.

Besides a web browser (such as Internet Explorer, Google Chrome, or Mozilla Firefox), no additional downloaded software is required; it's as simple as logging into your favorite website.

Navigate to [www.buildingengines.com/login](http://www.buildingengines.com/login) - you will be prompted to provide your Username and Password (provided to you by a member of your property management staff):

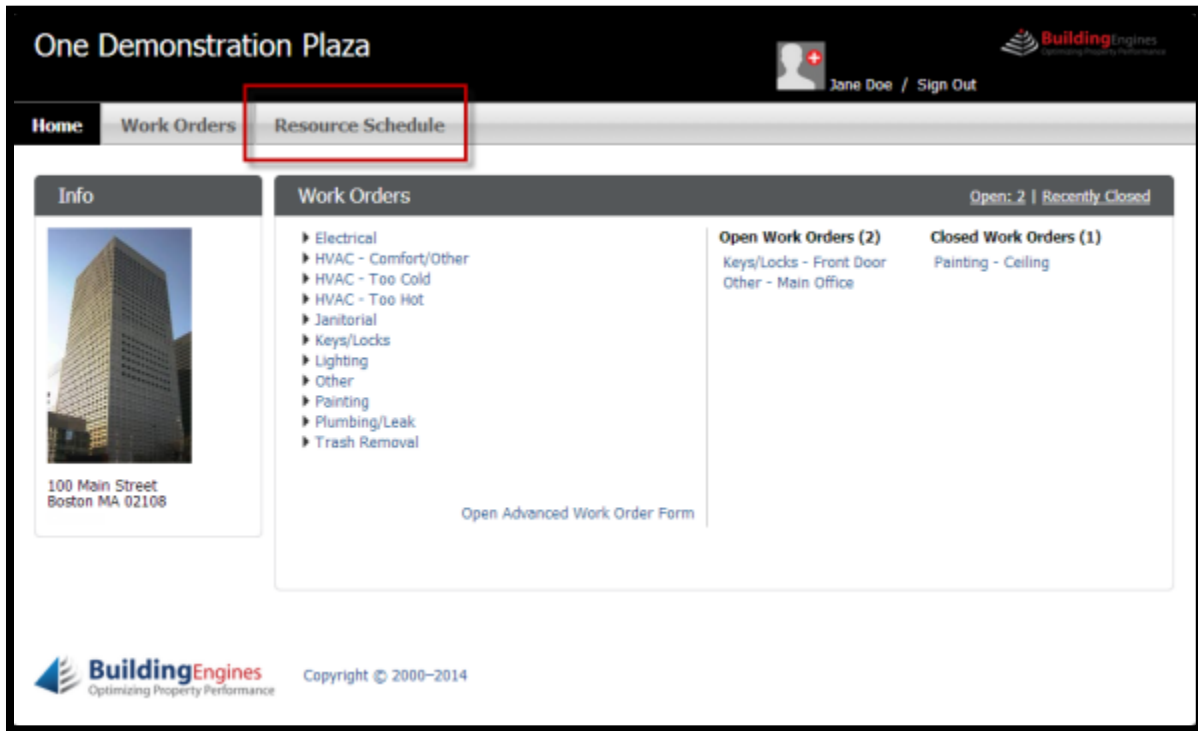

The screenshot shows the BuildingEngines login page. At the top, there are navigation links for CHAT, CALL, and CLIENT LOGIN, along with a SITE SEARCH bar and social media icons. The main navigation menu includes HOME, BUSINESS NEEDS, SOLUTIONS, SERVICE, RESOURCES, PARTNERS, and COMPANY. The login form is titled "LOG-IN" and contains fields for Username and Password. Below the password field, there is a note: "Login information is case sensitive". There are also checkboxes for "Remember Username" (with a "Forgot your password" link), "Use HTTPS", and a "Login" button. To the right of the login form, there is a promotional banner titled "Love Building Engines?" with the text "Why not share your experience with your network of friends and colleagues? Refer a friend and get rewarded!" and a "Learn More!" link. Below the banner are three featured content boxes: "BE Mobile" (Mobility platform: new app, new features, new possibilities), "Client Case Study" (See how Urban Renaissance deployed 2.8 million SF in 3 weeks!), and "LinkedIn Love" (Recommend the Building Engines modules and services you love the most.). Each box has a "Learn More" or "Connect" link.

If you are unsuccessful when attempting to log in, please remember that **usernames and passwords are CaSE SenSative**.

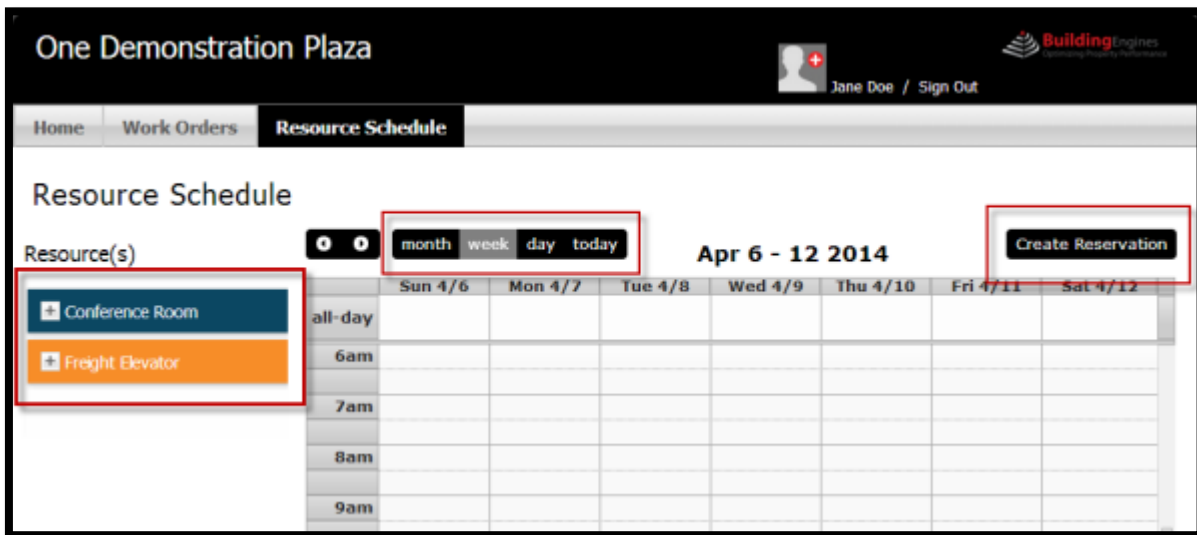

If you are still unsuccessful (after verifying that you are entering the information correctly), use the blue **Forgot your password** hyperlink to recover your login credentials. You may also contact your property manager or tenant coordinator to inquire about your account or recover your login credentials.

After successfully logging in, proceed with the following steps:

1. Navigate to the **Resource Schedule** tab from your Tenant Homepage:

2. View available building resources in the left panel, as well as a full page calendar with toggles for month, week, day, and today. Click **Create Reservation** to schedule a new event:

3. Select a resource from the dropdown. Provide all required request details, name the event, select a date and time, and click **Save** to complete the resource reservation request:

**Resource Request Details**

Resource: \* **Conference Room**

Description: Large room allows for a variety of activities, including small sessions, team workshops, or gatherings of 10-15 people.

**Show Availability**

Event Name: \* **Team Meeting**

Start Date: \* 04/10/2014 2:15 pm

End Date: \* 04/10/2014 3:15 pm

Full Day Event

**Total Cost: \$100.00**

Special Instructions:

Add a Comment:

**SAVE CANCEL**

- Once your reservation request has been saved, your event will appear on the calendar between the start and end dates you have selected. The calendar will also display any other tenant reservations for the space to prevent duplicate bookings.

**One Demonstration Plaza**
